CORONA VIRUS

Dear Ladies and Gentlemen,

As you probably know, new pneumonia from coronavirus already appeared in Europe.

Also in China, many companies are following the recommendation of the Chinese government to expand the Lunar New Year Holiday.

Please let us inform you, that due to the coronavirus has Tamura also decided to prolong the Lunar New Year Holiday from 02.02.2020 to 09.02.2020 for our production site in Shenzhen.

For the moment we do not see any issue and will keep you informed on our activities related to the coronavirus.

Mit freundlichen Grüßen / With best regards

Wolfgang Rath
