

Email 31.01.2020:

Sorry to inform that due to the spread of coronavirus in China, our company has to extend our CNY holiday to Feb.8, we won't come back to work until Feb.9 for both staff and workers which also means we cannot do any export and delivery during these days, we feel sorry for that and will take quick actions to support your business once we are back. Again, thanks for your understanding.

Regards!
